The Jindera Pioneer Museum is proudly community owned and run by volunteers.

JINDERA PIONEER

118 Urana Street, Jindera, NSW 2642

Donate to the amazing Jindera Pioneer Museum and help grow it's legacy for the future.

> A WINDOW TO LIFE **OVER 150 YEARS AGO**

Over fifty years ago two women saw the potential of the old Wagner's Store in the main street of Jindera to become a museum

Like their forebears, who came to an unknown land, they saw an opportunity that could be developed to enhance the township of Jindera and would preserve their vital history for future generations. These two women encouraged 17 families to join together to purchase the land and buildings which became the Jindera Pioneer Museum.

Making history

For the museum to remain viable, we need to develop new exhibits and spaces that can attract an ever-changing audience. Funding for this type of development is limited and so we are looking for contributions to help us in this new phase of museum growth.

A new building that will house the Cottage Crafts, a museum shop, our new period costume photography studio and a 'hands-on' space where students can actually use some of the items that we have on display in the museum, is our next project. Plus an undercover area in the entrance space where students can leave their bags while visiting the museum.

To date the museum has won several awards for its excellence and the collection it houses is considered highly significant; derived mostly from families and properties in this area. The new exhibits and facilities will build on the great work this community has already achieved. Donations (big or small) to help the museum develop can be deposited direct into the account shown below using your surname as the reference.

Email **accounts@jinderamuseum.com.au** with your deposit details, so we can send you a tax receipt.

If you would like to be a regular gift donor to the museum, you could easily set up a direct deposit via your online banking on a fortnightly or monthly basis. The museum would then issue you a receipt at the end of the financial year for your taxation purposes.

Donations are tax deductible*

The details below are for the new account that has been created for donations specific to this capital development:

Jindera Museum BSB: 640 000 Account No: 111288722

We hope you will consider supporting the museum in this way so that it can remain the asset to our heritage that was the foresight of those first two women.

* The museum has Deductible Gift Recipiency status with the ATO so all donations over \$2 are tax deductible.

Please donate...

...and become a part of the next exciting chapter of this inspiring community project.

The Jindera Pioneer Museum community would also like to remember and honour those who have been involved in the museum or the Jindera township over the past years.

The museum intends to establish an honour board for donations of \$5000 or more and we see this as an everlasting way for individuals' contributions to the town or museum to be remembered and honoured.

Generations to come will be able to see this honour board and recognise a family member remembered in this way.
